## Message from Executive Director

Parneetha Yeruva

“

There is no way we can do all these wonderful things without the generous support of sponsors and donors. May God bless you all abundantly.

With great joy, we are back again; to share with you about the accomplishments of Foundation for children in Need in the financial year 2020-2021. There is no way we can do all these wonderful things without the generous support of sponsors and donors. May God bless you all abundantly.

We are pleased to share with you that the children born with cleft lip and cleft palate have undergone corrective surgeries this year at G.S.R Hospital, Hyderabad. It's a great achievement that FCN has helped 1500 children smile in the last seven years. The parents and their relatives are ever grateful to FCN and the Board of Directors.

The Covid-19 pandemic is one of the worst health and economic crises in modern history. Amid the challenging times, FCN came forward to show their concern by providing 3,700 care packages and 34,000 masks and sanitizers to immigrant workers and needy families living in different villages near FCN Home, Shadnagar.

FCN is always happy to support the students with Educational help. It's a wonderful program. Many students are benefitting through this sponsorship program and standing on their feet in the society. All credit goes to the donors and sponsors.

Thanks a lot for your continuous prayers and support. We will ever remember you all with much gratitude.

With warm regards,

**Parneetha Yeruva**

My father passed away in the year 2006 due to cancer. My mother works as an agricultural laborer. She was finding it difficult to meet my educational expenses. FCN support has reduced my financial problems and increased my self-confidence to continue my education and lead my life happily. We are very thankful to FCN and Sponsors for their generous support.

Namaste!! My name is Kalyani Mylaru pursuing 11th grade from Our Lady of Fathima College, Porumamilla. I have been receiving sponsorship since 9 years. My parents expired 11 years ago. My sister is married and settled with her husband. I have an elder brother who is pursuing M.Sc. I stay in a hostel named Blessed Brian Home. FCN stood by me when I have no one to take care of me and is supporting me to continue my education. I always feel proud to be a FCN student. My heartfelt thanks to Dr. Geetha, Tom Chitta and my Sponsors for their kind heart. They are my role models. I wish them to continue the support for the many needy people. God bless them.

I am Mounika Kamatam, MA project. I have been part of FCN Sponsorship Program from 7 years. I feel privileged as a member of FCN family. I am studying final year Masters in Economics from Osmania University. This could happen because of FCN and the sponsors who helped me in these 7 years. When I was six months old I lost my mother after that my father abandoned me and my two elder sisters. My maternal grandmother took care of us. As she is becoming old she joined three of us in Maa Illu Orphanage with the help of neighbours. FCN came into my life when I was in a difficult situation and have been with me to continue my education without any problem. It is the time to express my sincere gratitude to FCN family and all the sponsors. May God bless each and every person who involved in FCN activities with love, joy, happiness and good health.

Hai!! My name is Anil Kumar Bukke pursuing B.A 2nd year from SBYM Degree College, Mydukur. I am receiving sponsorship since 3rd grade. I am a cerebral palsy disabled child. I live in a rural village at hill side. My parents are agricultural laborers and their earnings are very low. They find difficult to meet our basic family needs. During our troubled times FCN gave hope and encouraged me to study further. My parents and I thank FCN for the responsibility they took for my education. My special thanks to Dr. Geetha, Tom Chitta and Sponsors for their generous help and love.

My name is Uday Karthik Kunderapu. I am studying 1st year ITI in electrical and staying at Seva Sadan Ashram. My father abandoned us when I was 10 years old. I have one younger brother. My mother works as a day laborer. She was getting low income and could not afford for my education. I am fortunate as the Foundation for Children in Need came forward to help me towards my studies since 2018. I am happy to tell that I can fulfil my dreams. I thank FCN for the kind help towards my education.

I am soundarya from Guntur district. We are five members in the family. My mother and father are day laborers. In the year 2017 my father expired due to heart attack from then we are into financial crisis. At this difficult situation FCN supported me to continue my studies. I am grateful for the support. It helped me to complete my M.Sc. nursing successfully and presently I am working as a nursing supervisor in Asian Institute of Nephrology and Urology Hospital, Hyderabad. I thank FCN for the love and support. I extend my heartfelt thanks to Dr. Geetha, Tom Chitta and my beloved sponsors.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Impact of COVID-19 on the Society financial statements**

Our ability to perform regular audit procedures has been impacted which has required us in certain cases to perform alternative audit procedures and exercise significant judgment in respect of the following:

Audit and quality control procedures which were earlier performed in person could not be performed; and hence alternative procedures have been performed based on inquiries (through phone calls, video calls and e-mail communications) and review of scanned documentation sent through e-mails, followed up with sighting with original documents.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the statements together with the schedules attached and read with the accounting policies and notes forming part of accounts subject to annexure to Independent Auditors Report give a true and fair view in conformity with the accounting principles generally accepted in India:
